

Dear Xyfection Team,

Over the last year, Empower Federal Credit Union has used Xyfection Electrostatic Disinfection Services to keep our facilities healthy and safe for members as well as employees. With the proven disinfection technology, it is well worth the investment to ensure a clean environment for all entering our Credit Union locations. In addition, during the Covid-19 pandemic, Xyfection has continually taken care of Empower with their invaluable service. We are extremely grateful for the excellent service and attention to detail.

Sincerely,

A handwritten signature in blue ink that reads "Judy Graham".

Judy Graham  
VP of Facilities
